

Again already? But it just ended on Sept 23.

Nah, that was just the Rapture.
All the true followers of Jesus
ascended to Heaven - didn't
you notice?

Everyone knows that the
world will end in 2038, on
January 19.

It's a buy one get one
free deal.

Upgrade the universe to 64-
bits already!

But then I'll need to reboot the
universe, and I still have a few
unsaved tabs.
